B R A N C H S I G N A L S

The monthly meeting of the Radio Club will be held this Thursday evening, 7:30 p.m., in the Ag Room at the Branch Area Careers Center and we hope that you will plan on being in attendance.

Jerry Sullivan will present a talk on Capacitance following the business meeting and you can be sure it will be very knowledgeable.

We hope to begin with varied interest groups following the April meeting of the Club and opinions pro and con will be welcomed regarding this subject.

Dale Weber has gotten a sixty foot tower for his six meter FM antenna and is going to town in that area.

Mention should be made that the Toledo Ham Fest was one of the best in this area in many years with close to 3,000 people; many items were purchased by local hams.

KEEP IN MIND: Dayton Ham Fest to be held April 26, 27, and 28th with Barry Goldwater as the guest speaker and most important of all - PLANNED ACTIVITIES FOR THE WIVES!

The four Novices Don Behnke, Max Benjamin, Don Drake and Evelyn Wilson have all taken their test and are awaiting results of the examination and call letters. Congratulations!

An Eico transmitter has been purchased by John Sistanich for the school and will be available for loan to any Novice.

A vote will be held at this meeting on acceptance of the Club Constitution so a full house is in order, please.

Anyone who has joined the ARRL please notify any club officer.

John Sistanich has two mobile mikes for sale at \$2.50 each.

The following members have paid up dues: Don Ayers, Ellis Beerbower, Don Behnke, Max Benjamin, Paul Herman, Carl King, Orville Otis, Harold Sharp, Jerry Sullivan, George Walker and Dale Weber.

See you Thursday.
